EXPERIENCE

Kenzie Academy
Software Engineering Coach
📅 08/2019 - Ongoing

Helping to improve Kenzie Academy's students graduation rates

- Teaching students data structures & algorithms, resulting in more students passing their semester and improving graduation rates.
- Reviewing code and giving constructive feedback to better equip students with computer science concepts and best programming practices.
- Assisting students with their day-to-day challenges through one-on-one sessions, enabling them to feel more confident in themselves.
- Working with managers to develop better strategies for students' success.

McDonald's
Crew Trainer
📅 06/2017 - 09/2019   📍 Indianapolis, IN

- Continuously evaluated business operations to effectively align workflows for optimal area coverage and customer satisfaction.
- Taught new team members correct procedures for all areas of operations.
- Delivered in-depth training to workers in food preparation and customer-facing roles to promote strong team performance.
- Resolved challenging customer complaints to full satisfaction, promoting brand loyalty and maximizing repeat business.
